Muslim Youth Club

In response to the challenges facing the Muslim youth in today's society, The WIA Muslim Youth Club (MYC) was established to provide an environment that incorporates Islamic values and teachings while striving to provide the youth with fun recreational activities.

During the school year, the MYC is open on Friday and Saturday evenings for the brothers and Sunday afternoon for the sisters. MYC programs consist of a weekly Halaqah after Maghrib and a pizza party after Isha. Saturday program includes a short talk geared towards the youth followed by team sports and activities. Similar activities are held for the sisters as well.

Inside the MYC are a number of fun activities and games. These include: table tennis, pool, foosball table, Big-Screen TV, Wii, along with a variety of different video games.

During the summer, the MYC is open throughout the week. We also have some of the larger scale activities throughout the summer, such as camping and trips to places like Canada's Wonderland. For further update information please contact through mycwindsor@gmail.com
